

PPC + DRUPA 2024

We're excited to announce that PPC will curate exclusive folding-carton connections at drupa 2024 in Düsseldorf, Germany! As the world's leading trade fair for print technologies, drupa, from May 28 to June 7, will provide print and folding carton innovation and connections to top decision-makers in our industry.

PPC will host folding carton-specific tours throughout the trade show – facilitating pre-planned booth visits to connect PPC members with fellow folding carton experts and more. We'll also spotlight your innovations for our members who couldn't make it to Düsseldorf through distinct promotional opportunities to reach members and broader audiences back home.

PARTNERSHIP OPPORTUNITIES

Secure your partnership commitment with PPC and let us ensure you're making the most of your drupa experience by providing exclusive access to PPC Principal Member connections. Your commitment will ensure you meet with the right customers at the right time, providing unparalleled access to sales and connection.
